Letter of Recommendation

Iske Piche Ke Shar'i Aur Amli Asool:

- Ibadat Aur Cleanliness Ka Faraq: Islam mein baayein (left) haath aur paon ko na-paaki door karne ya toilet wagherah ke aadaab ke liye khas kiya gaya hai. Football ek sport/game hai, yeh na toh koi ibadat ka amal hai aur na hi ismein koi na-paaki ka pehlu hai. Isliye ismein left foot se ball ko kick karna ya control karna bilkul mubah (allowed) hai.
- Khel Aur Skill Ki Zaroorat: Football ek aisa khel hai jahan player ko dono paon (left aur right) ka istemal karna padta hai. Bahut se mashhoor football players (jaise Lionel Messi ya Diego Maradona) left-footed hain. Islam insani salahiyat aur game ki zaroorat ke mutabiq body parts ke istemal ko nahi rokta.
- Sunnat Ka Daira: Daayein (right) taraf ko tarjeeh dena un kaamon mein Sunnat hai jo ba-izzat aur paak hon (jaise khana, peenna, masjid mein dakhil hona, kisi ko cheez dena). Sport mein performance ke liye left foot ka use karna is asool ke khilaaf nahi hai.
